Bob,

It would be helpful for the Tribe to maintain all records for the site. In the past EPA has provided 1-2 hard copies and a cd for all work deliverables performed on reservation. Is this something that can be considered for the Haskell Lake Petroleum Contamination Site.

Kristen,

I have one on CD at the office. I will find it tomorrow and send a pdf. Bristol will be revising it for the new work.

Bob,

Do you have the most recent Bristol sampling QAPP?
